

Accessing the ANZCAP portal

With ANZCAP pre-registration access, students and provisionally registered (intern) pharmacists have access to a range of specially tailored features on the ANZCAP digital platform. These features have been codesigned with representative organisations to ensure they enable students and interns to document and showcase their individual practice.

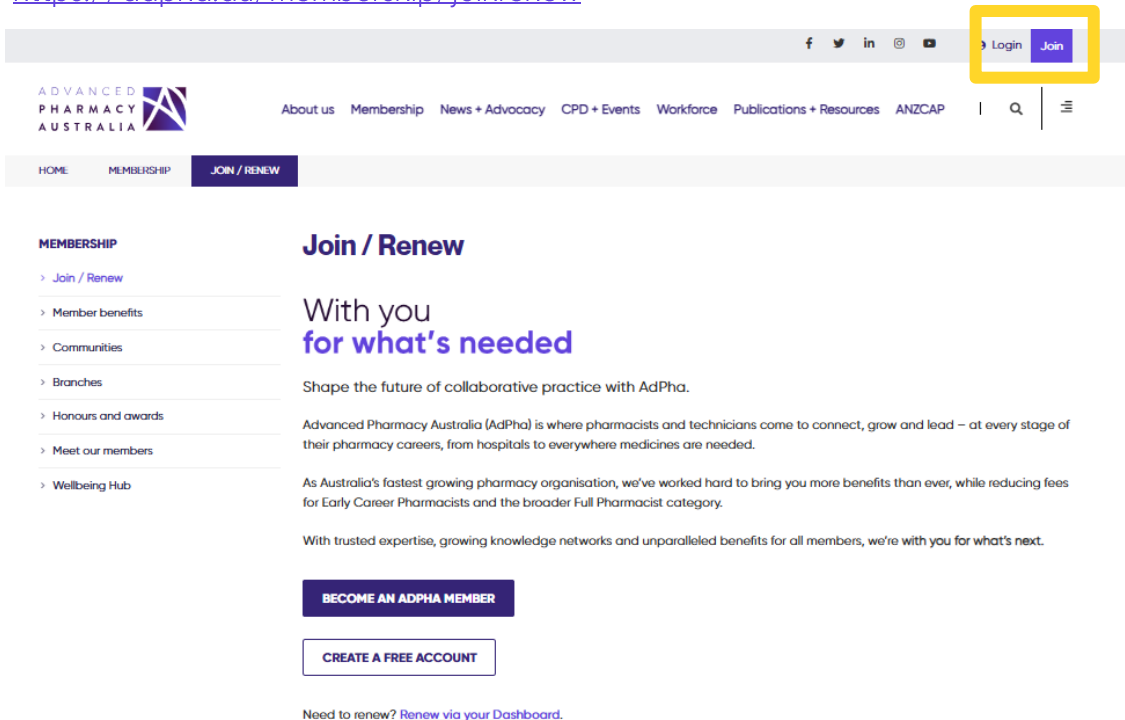

Access to the ANZCAP digital platform is free for anyone who holds a current AdPha membership.

1. If you are not already a member of AdPha – join up. AdPha Student membership is free!

You will need to provide a copy of your student ID card to complete the joining process.

Select 'Join' in the top right corner of the AdPha website, or go to:

<https://adpha.au/membership/joinrenew>

The screenshot shows the AdPha website interface. At the top right, there are social media icons and a 'Login' button, with a 'Join' button highlighted by a yellow box. Below the header, the 'JOIN / RENEW' button in the navigation bar is also highlighted. The main content area is titled 'Join / Renew' and features a section 'With you for what's needed'. It includes a description of AdPha's mission and a call to action 'BECOME AN ADPHA MEMBER'. A secondary button 'CREATE A FREE ACCOUNT' is visible below. At the bottom, there is a link to 'Renew via your Dashboard' for existing members.

2. Once you have become a member, you can log into ANZCAP through the Member Dashboard.

The Dashboard icon is available in the top right corner of the AdPha website, or go to: <https://www.adpha.au/dashboard>

Then select the **Enter ANZCAP** option!

ANZCAP

The Australian and New Zealand College of Advanced Pharmacy (ANZCAP) is open to all AdPha and NZHPA members and other Ahpra General Registered Australian pharmacists to undertake programs toward recognition by the College as Resident, Registrar or Consultant pharmacy professionals.

View [ANZCAP Info Hub and Help Centre](#) for details.

Access to ANZCAP is complimentary for AdPha and NZHPA Members, or via annual fee for non-members.

ENTER ANZCAP →

Communities

Communities is your new home of [Specialty Practice](#), exclusive to AdPha members and NZHPA Affiliate members.

Join Specialty Practice Groups, become Verified in your area of expertise and experience, and connect across Australia and New Zealand to shape education, drive policy and support others.

Communities also hosts discussions and provides planning support for AdPha projects and working groups. View the [Communities Info Hub](#) for more details.

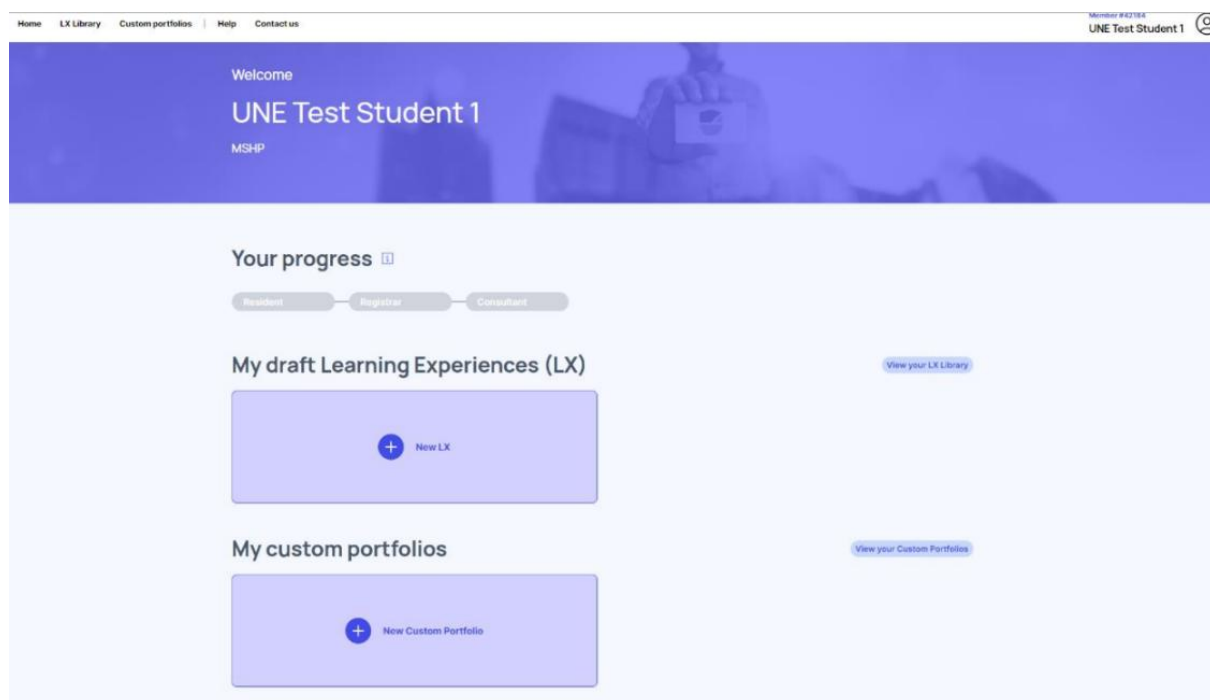

ENTER COMMUNITIES →

Troubleshooting note:

Don't have the option to Enter ANZCAP? Make sure your student membership is active for the account you are logging into! It is possible to have a free non-member account (e.g. username & password, but no access to member benefits) – you may need to set up student membership for your account by following Step 1, or check if your student membership is linked to an account under a different email address.

3. Begin using ANZCAP!

When you're in your ANZCAP portal, you'll be able to add learning experiences (LX) and build these into custom portfolios to highlight your skills and experiences as a pharmacy student.

Have any questions?
